ZENN MOTOR COMPANY ANNOUNCES CLOSURE OF SERVICE SUPPORT

Toronto, Ontario – May 1, 2013 – ZENN Motor Company Inc. (TSXV: ZNN; “ZENN” or the “Company”), announced today that the Company will close its service operations and cease to provide parts and service support currently offered for ZENN LSVs, effective June 30, 2013. The closure of the service department is part of the Company's decision in March 2010, to cease production of ZENN LSVs.

About ZENN Motor Company Inc.

The Company's goal is to be the provider of leading edge power storage solutions and related technologies to the transportation industry. Technologies and solutions, powered by EEStor's electrical energy storage units (EESU) have the potential to enable OEM and Tier 1 partners to deliver advanced electric transportation solutions to their customers.

Information contained in this release relating to EEStor, Inc. or the energy storage technology being developed by EEStor has not been reviewed by EEStor and EEStor does not assume any responsibility for the accuracy or completeness of such information.

Unless otherwise indicated, public disclosures by EEStor of developments in the commercialization of its energy storage technology have not been independently verified by ZENN. EEStor's energy storage technology is still under development and a number of further development milestones must be achieved before commercial viability can be established. There are significant risks associated with the development of new technologies such as EEStor's energy storage technology and readers are directed to the “Risk Factors” disclosed in ZENN's most recent Annual Information Form filed on SEDAR
